

The Clarence River Yacht Club invites you to the Clarence River Classic Islands Cruise 2019

Monday 14 October to Sunday 19 October

This year the Classic Cruise has an island twist. Do you know how many islands there are in the Clarence River? We think it's time to give them the attention they deserve.

Launching at Grafton on 14 October, we'll cruise downriver to Iluka Bay over three days with explorations, island-spotting, circumnavigations and picnicking along the way. We'll also be calling in to some of our favourite island village eateries. The Clarence Classic Island Race is on the final two days, from Freeburn Island to Elizabeth

Island. We hope you can join us for all or part of this adventure. Help the Clarence Valley celebrate its river islands this year by joining the Classic Island Cruise!

Let us know if you're interested. ~ Alex -0423 747468 ~ Margy - 0439 692140, Will - 0467 298597 or email us at secretary@cryc.com.au
