Access to the compound is not available until payment has been made.

Storage Declaration

By lodging this application, it will be deemed that I have read and accepted the attached terms and conditions of boat storage at the CRYC Hardstand Storage Facility. (See below)

SIGNED.....DATE...../...../.....

Terms and Conditions of the CRYC Hardstand Storage Facility

1. All yachts are stored at owners' risk and the club will not be liable for loss or damage. Each vessel will need a certificate of current insurance with a minimum public liability of \$5,000,000. A copy must be provided. It is the responsibility of the owner to ensure they maintain this cover for the duration of boat storage. Storage will not be allowed until application is approved by CRYC and fees have been paid.
2. Fees are to be paid **in advance** either at a weekly, half yearly or yearly rate. Half yearly and yearly discounted rates are due on the 1st April and/or 1st September. Discounted half yearly and yearly fees will default to the weekly fee rate if storage is not required for the full discounted period. A refund or credit may apply on that basis.
3. The CRYC Committee reserves the right to review all boat storage agreements and may terminate the storage agreement and remove the boat from the club premises if:
 - Fees are outstanding longer than one month after due date
 - Storage application either not received or not approved by the club
 - Terms and conditions are not met
4. If the storage fee is unpaid for more than 2 months, then the club is authorised to sell or otherwise dispose of the boat and fittings and deduct the proceeds any amount owing to the club for storage fees and any costs associated with removal, storage and sale of the boat and fittings.
5. Preference for allocation will be given to:
 - Financial members boats who regularly sail in club events
 - Financial members
6. All stored boats must be seaworthy and on wheels, rollers or a trailer to allow movement within the yard.
7. Road trailers or launching dollies must be kept in the space allocated.
8. A security key code will be issued at the commencement of the lease period. **It is imperative that the yard is locked every time you enter and leave the yard. The keys are then to be returned to the key safe.**

IMPORTANT: The security code must not be passed onto anyone else.
